THE YEAR WE
STARTED MAKING
DREAM HOMES A REALITY

At Bloor Homes on the Green, we are not only able to offer you a stunning location, we are also dedicated to building quality new homes that stand the test of time.

Visit one of our developments built 10 years ago and see how the community has developed along with the landscaping and house type designs. As one of the leading privately-owned house builders in the country, our success is based on strong traditions of quality, value for money and a genuine desire to build homes that give our customers years of pleasure.

The company is still owned by John Bloor who is actively involved within the day to day running of the business to ensure the high quality we pride ourselves on is achieved on all our homes.

Our approach to the design of every new location we produce goes far beyond the provision of superior homes for today's varied lifestyle.

We make every effort to conserve the natural balance of each location including the conservation of wildlife and the preservation of natural features. Care and consideration is also taken to ensure that the environmental impact of every new home we build is kept to a minimum.

Whichever home you choose, you will find that our homes with their high specification, provide not only maximum comfort, but greater freedom of movement.

Plus, reserve a Bloor home in the early stages of construction and you will have the freedom of choice to select from our range of finishes for your kitchen, bathroom and en suite facilities.

Once reserved, you will be able to take advantage of "Your Choice" which allows you to choose additional fixtures and fittings to personalise your new Bloor home, or upgrade to a higher specification.

Basingstoke is Hampshire's largest town, and was, until the 1960s, an old market town. Following growth over the last half century, Basingstoke has become a recognised economic hub and is home to numerous worldwide-recognised brands such as Sony, Barclays and GAME, offering an abundance of job opportunities.

We have carefully planned facilities on the development to cater for all family requirements. These will include shops, a day nursery, community centre, allotments, play areas and plenty of open green spaces. Also close by you will find The Holly Blue, a traditional country pub built in the style of a Hampshire farmhouse, the perfect location for enjoying a meal or a few drinks in the pub garden. There is a Sainsburys just a 15 minute walk away and the nearby Beggarwood Park is lovely to take the dogs for a walk or enjoy a picnic.

Families moving to the area will appreciate the wide choice of schools for all ages in the surrounding area. Less than two miles away there is a new nursery school and three primary schools, Kempshott School, Hatch Warren School and St. Mark's Church of England School, which all have a 'good' or higher Ofsted rating.

The quality of secondary schools is much the same, older students have several great options including Brighton Hill Community School and Bishop Challoner Catholic School, both in the local catchment area. For higher education, Basingstoke College of Technology and Queen Mary's College are popular choices.
